NY 54 Pizza & Ristorante

The Deal: Save 35% on specialty and deli sandwiches. In honor of National Sandwich Day today, eat a sandwich. At the Chandler restaurant, sandwiches are made with home-made bread baked daily and Boars Head meat and cheeses, fresh-made meatballs and hand breaded chicken cutlets. The 16 choices range from the Bronx Bomber, made with thinly sliced rib-eye steak sautéed with peppers and onions in olive oil and white wine and topped with provolone, to the popular Mulberry Street, which is loaded with capocollo, Genoa salami, pepperoni, provolone, lettuce, tomato, onion, deli mustard and red roasted Italian peppers.
